# Introduction

Melville, Located within the east central portion of Saskatchewan is nestled in the beautiful Parkland region. Prairie fields and endless skies become the background for a memorable vacation. With our natural beauty, quaint shops, great food, fine facilities and friendly folk you will find Melville a great place to visit.

Melville boasts an abundance of arts and culture with numerous organizations and clubs hosting major events within the city.

The area is rich in history and many sites have been excellently preserved for public viewing.

Besides being known as a great place to raise a family, Melville is certainly known as a recreation lover's dream.

The area's many features alongside with its citizen's friendly demeanor make Melville a part of Saskatchewan's 'BEST KEPT SECRET'

## Interesting Facts

- **Melville was created as a central railroad town by the Grand Trunk Railway (now called the Canadian National Railway) in 1908.**
- **Melville is known as the smallest City in Saskatchewan. However, don't be fooled by its lack of size because it has enough heart and pride to overtake any of the larger centers.**
- **Melville was founded and named after the president of the railway, Charles Melville Hays, who perished in the Titanic in 1912.**

# Health and Well Being

# Education

Melville has two school divisions which include 4 elementary schools and 1 high school as well as Kidsville, Magic Moment Playschool and a Pre-Kindergarten program. The Parkland Regional College also offers an opportunity for post-secondary studies in Melville.

## **Melville Community Works (306)728-4494**

### **800 Prince Edward Street**

Kidsville is a safe, affordable indoor playground for children aged six and under. In addition, this environment provides support and opportunities for interaction among the families of the children.

Magic Moments Playschool is a co-operative playschool run by a parent board elected by the parents. They offer both 3 year old and 4 year old classes. Classes run two days a week for two hours each time.

The Pre-Kindergarten program is for children ages three and four. This early childhood program will create learning opportunities for children who may require additional support and guidance in their everyday lives. This program provides a safe and nurturing environment, modeling the values of care and respect, to prepare students for a successful beginning of school.
